Los Angeles City Councilmember Paul Krekorian has endorsed Brad Sherman for Congress.

Councilmember Krekorian stated:

*"Brad Sherman is a fighter for Valley neighborhoods. He listens and he takes action. Brad Sherman has worked with our neighborhoods to create good jobs, reduce traffic congestion and improve our local parks. He is one Congress member who puts the communities that he serves first. I strongly endorse Brad Sherman."*

"Paul Krekorian is a special leader, with powerful ties to the community and a history of bucking entrenched powers to fight for the neighborhoods he represents," responded Sherman. "I am impressed by his dedication, courage and effectiveness and am truly honored to have his support."

Councilmember Krekorian joins Los Angeles City Councilmembers Mitch Englander, Paul Koretz and Dennis Zine in supporting Brad Sherman. Together, these four Councilmembers represent 91% of the voters in CD30.

Brad Sherman's base is in the communities of CD30. The local representatives who know and work with him to improve the quality of life in San Fernando Valley neighborhoods strongly support Brad Sherman.

"Howard Berman is endorsed by a lot of D.C. politicians, but Brad Sherman is supported by the local community leaders who represent voters here in the Valley," stated Sherman's consultant Parke Skelton.

In addition, Sherman has been endorsed by over 350 community leaders from throughout CD30. For a full list of Sherman's endorsements go to:<http://bradsheer.com/endorsements.html>
