Sherman Reports \$4 Million Cash on Hand as of March 31

The Sherman campaign announced today it will report over \$4 million cash on hand as of March 31.

“We’ve been able to finance a robust campaign where we have visited, called, and mailed to every likely voter in the district again and again,” said Parke Skelton, the campaign’s consultant. “We still have \$4 million cash on hand to carry on a more robust campaign in future months.”

Earlier this week Sherman released a poll by Diane Feldman showing he leads Howard Berman by a 2-1 margin.

Sherman has been endorsed by every elected official who lives in California’s new 30th district, except for one who worked for Berman for 20 years as his district director.
